Response to Office Action

Sir:

This Response is filed addressing the issues raised in the Office Action dated 11/20/2002, regarding the above-noted application for patent. The Applicant submits that, in light of the remarks below and the requested amendments to the application, the application is in proper condition for allowance. The Applicant respectfully requests the examiner allow the amendments to the specification and claims and allow the patent to proceed to issue.

REMARKS**Specification**

The objections of Paragraphs 1-3 of the Office Action, and corrections in accordance with the Examiner's suggestions are contained in the Amendments within this response. Such corrections and the amendments avoid the objections raised by the Examiner and do not add any new matter to the invention being claimed, thus making such Specification conform to the arguments of the Examiner and place the Specifications in proper form for issuance.

Claims

The rejections to Claims 1, 2 and 5, as specified in Paragraph 3-8 the Office Action are noted, and explanations and corrections in accordance with the questions and rejections raised by the
